NEW QUESTION: 4
Kara Lang works as the Human Resources manager at ABC.com. She is using Microsoft Office Excel 2010 to create a workbook. The workbook will be used to record days taken off for vacations or illness.
The company contains departments named Sales, Marketing, Production and IT.
Kara often needs to enter the names of company employees when she creates workbooks. Kara wants to be able to use the Fill Handle function to ease the task of entering names in a workbook. She asks you for assistance in enabling the Fill Handle function.
How can you help Kara?
A. You should advise Kara to create a custom list for each department that contains the names of the employees.
B. You should advise Kara to create a single workbook saved as a template with the names of the employees listed in separate columns for each department.

C. You should advise Kara to create a workbook saved as a template for each department that contains the names of the employees.
D. You should advise Kara to create a single workbook saved as a template with the names of the employees listed in separate rows for each department.
Answer: A
