#### **NEW QUESTION: 2**

Ashley's family has sought out the services of a clinical social worker to determine what kind of problems their child is having. She tends to display involuntary movements such as repeatedly blinking her eyes and saying things at inappropriate times. These issues have

worsened with age. Her father states that there is an uncle in the family who demonstrates the same behaviors. What might be the findings of the social worker's assessment?

- A. Narcissistic disorder
- B. Alter-ego disorder
- C. Obsessive compulsive behavior
- D. Tourette syndrome

**Answer: D**

Explanation:

People with Tourette syndrome display behaviors that they think need to be performed before they can relax or calm down. Tics, or involuntary body movements, will increase with anxiety and excitement. Family members with the same disorder can be found in one third of all cases.

### **NEW QUESTION: 3**

You develop a web application.

You need to register the application with an active Azure Active Directory (Azure AD) tenant.

Which three actions should you perform in sequence? To answer, move all actions from the list of actions to the answer area and arrange them in the correct order.

**Answer:**

Explanation:

Explanation

Register a new application using the Azure portal

\* Sign in to the Azure portal using either a work or school account or a personal Microsoft account.

\* If your account gives you access to more than one tenant, select your account in the upper right corner.

Set your portal session to the Azure AD tenant that you want.

\* Search for and select Azure Active Directory. Under Manage, select App registrations.

\* Select New registration. (Step 1)

\* In Register an application, enter a meaningful application name to display to users.

\* Specify who can use the application. Select the Azure AD instance. (Step 2)

\* Under Redirect URI (optional), select the type of app you're building: Web or Public client (mobile & desktop). Then enter the redirect URI, or reply URL, for your application. (Step 3)

\* When finished, select Register.
