Understanding the Policy Implications When You Move a Compartment

After you move a compartment to a new parent compartment, the access policies of the new parent take effect and the policies of the previous parent no longer apply. Before you move a compartment, ensure that:

- You are aware of the policies that govern access to the compartment in its current position.
- You are aware of the policies in the new parent compartment that will take effect when you move the compartment.

Groups with Permissions in the Current Compartment Lose Access;
Groups with Permissions in the Destination Compartment Gain Access
